

# egg inside hen

An egg  
grows  
inside the  
hen.

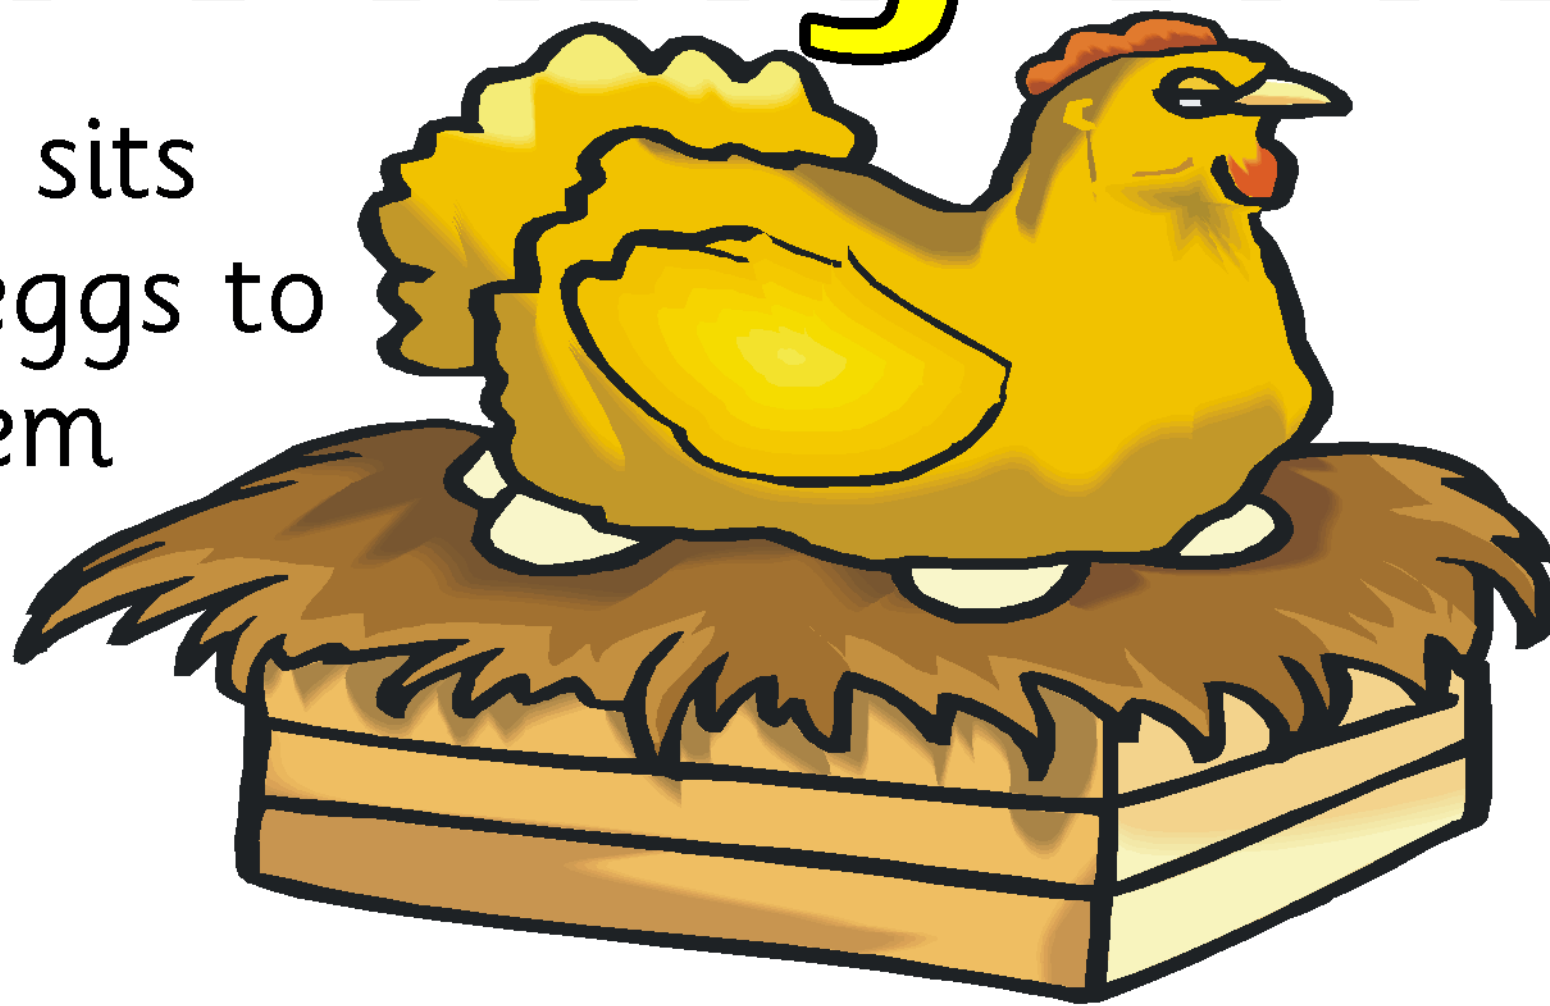

# hen lays egg

The hen lays  
her egg in a  
nest.

# roosting hen

The hen sits  
on her eggs to  
keep them  
warm.

# chick hatches

A weak, wet  
chick breaks  
out of the  
egg.

# baby chick

The chick  
becomes dry  
and fluffy.

# adult chickens

The chick grows into an adult chicken. Male chickens are called roosters, female chickens are called hens.
