

How to be a Good Learner

Listen

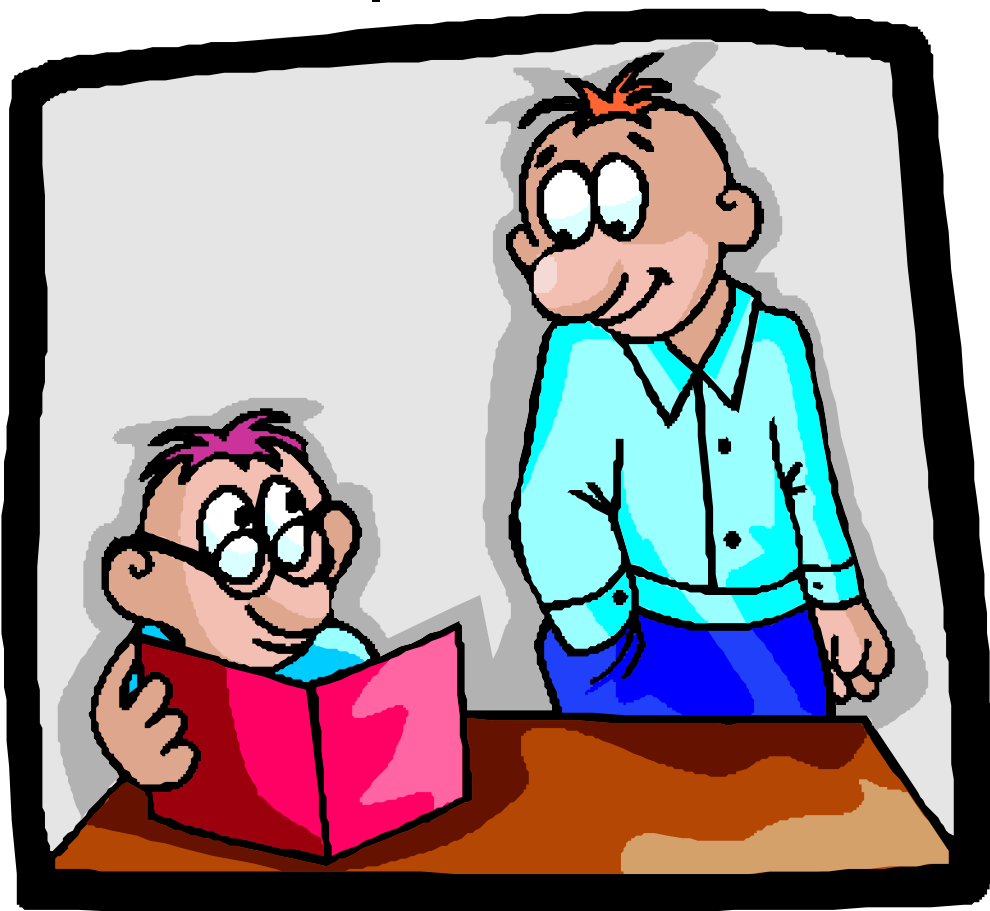

carefully.

Join in
with class
discussions.

Try your
best!

Do your
homework.

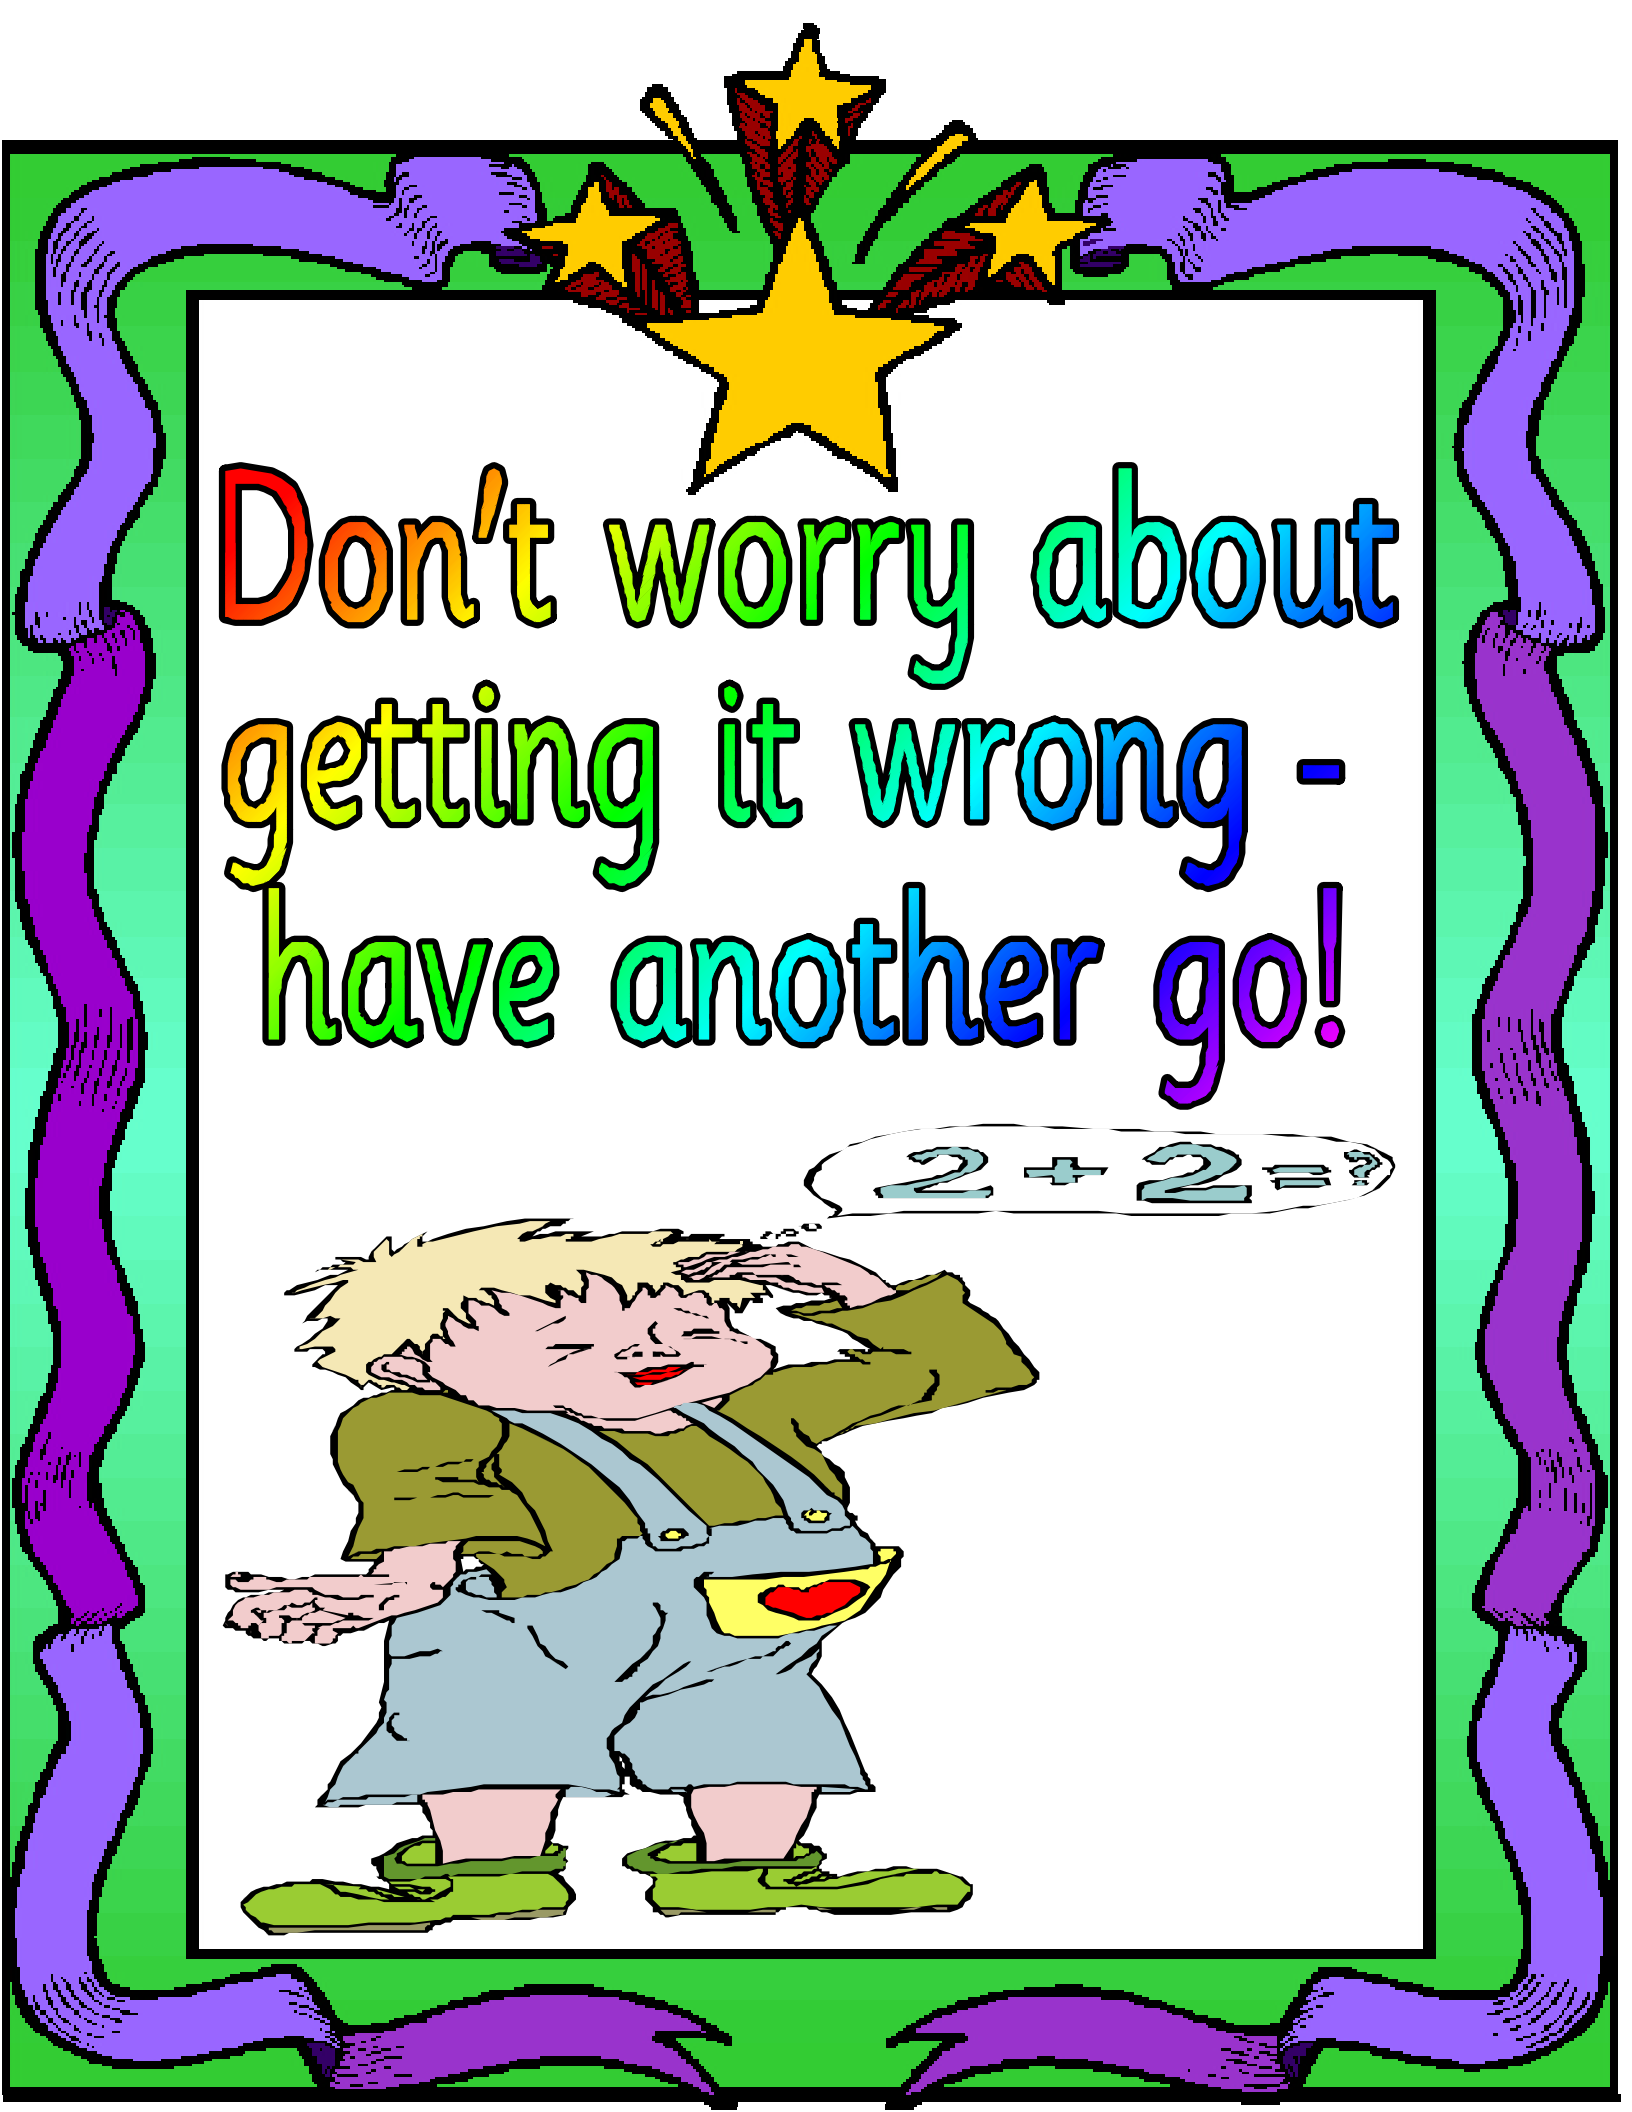

Ask
questions.

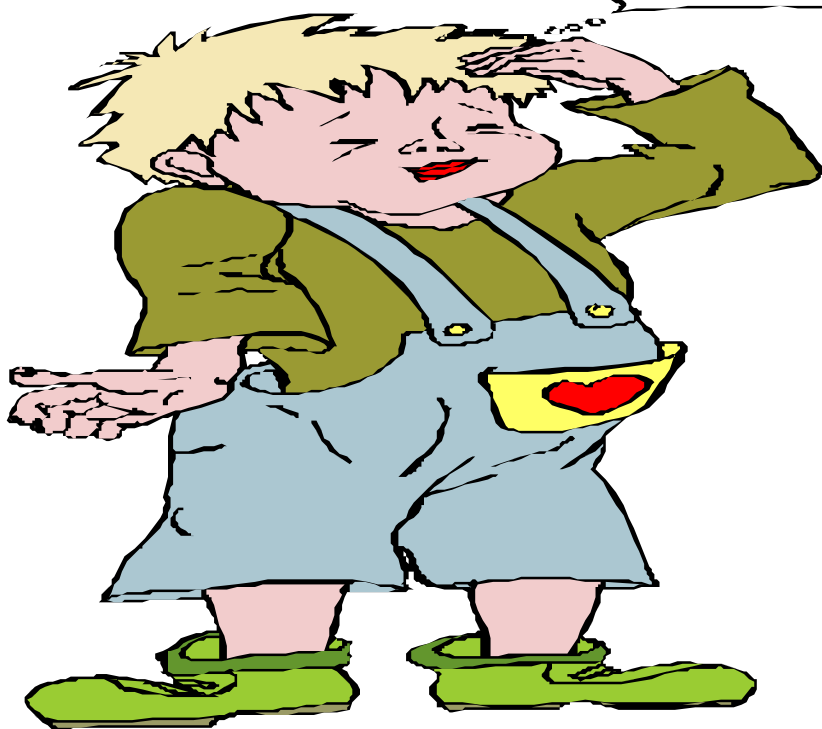

Keep trying,
even if it
is difficult.

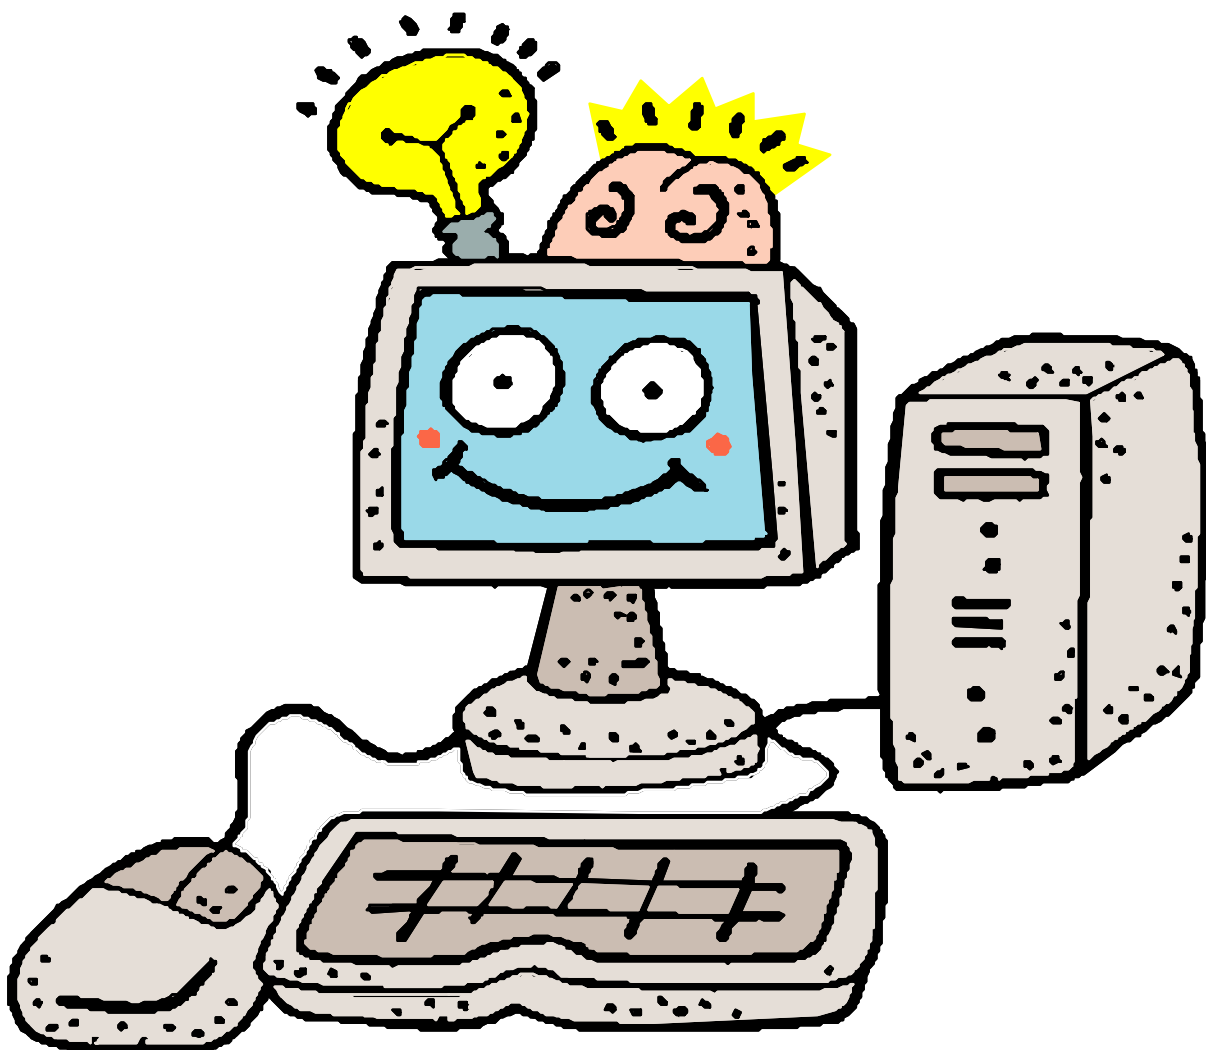

Don't worry about
getting it wrong -
have another go!

$2 + 2 = ?$

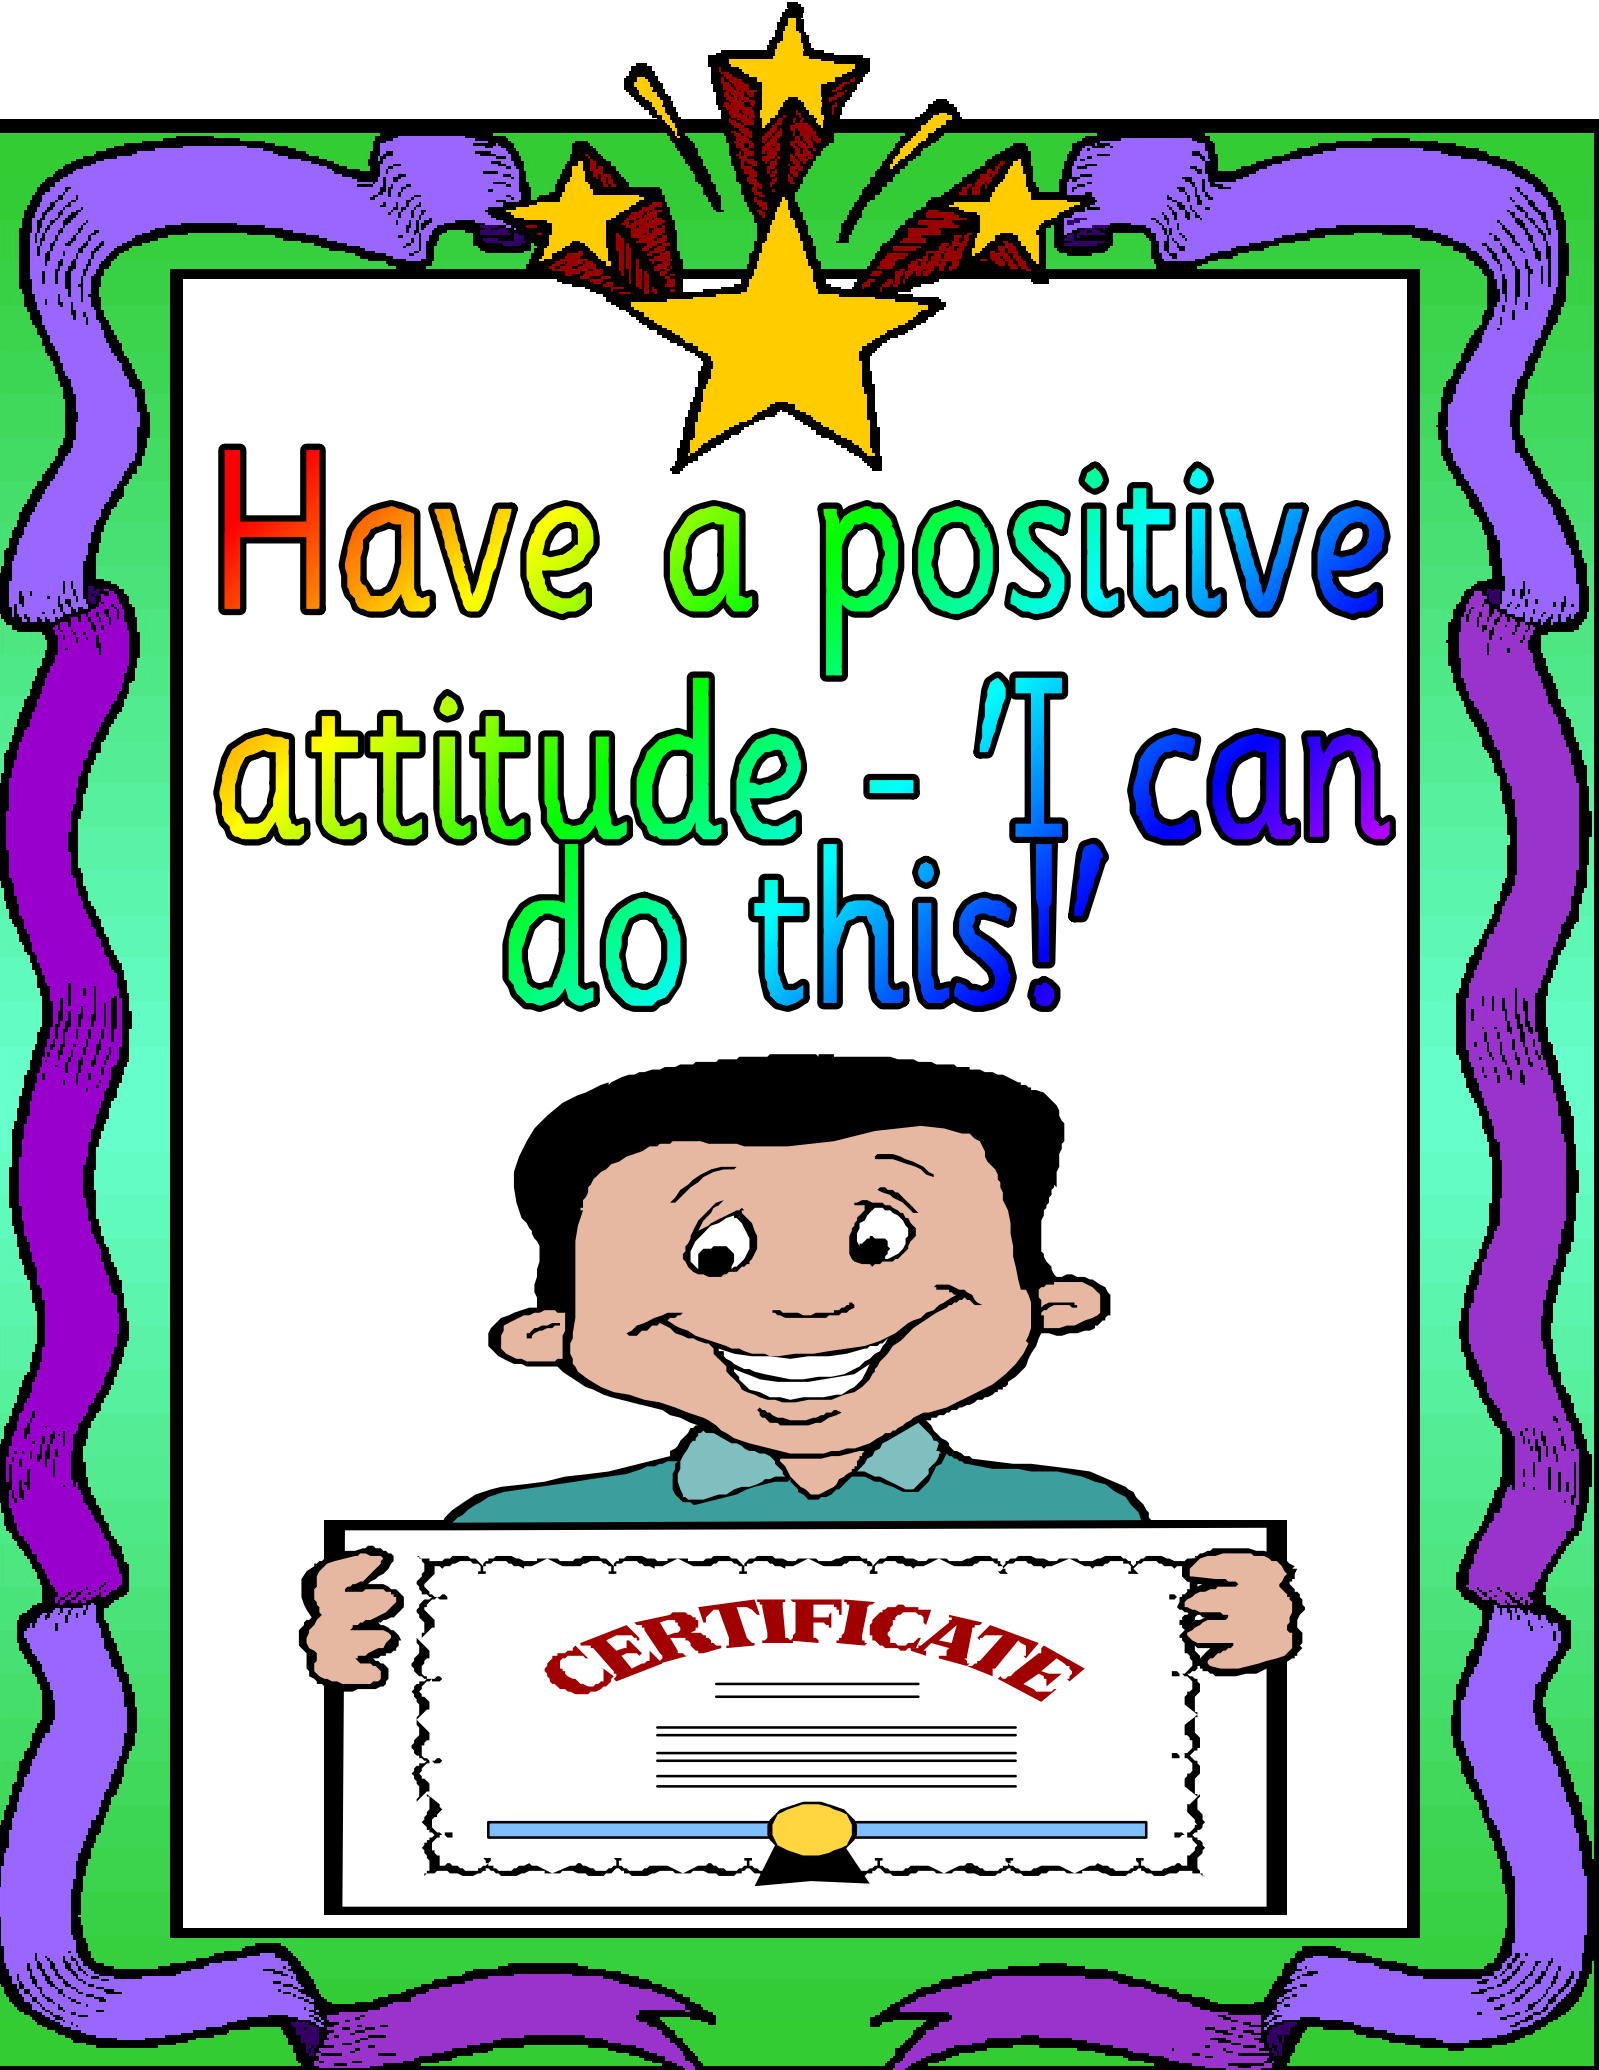

Give yourself
time to think.

Share your
knowledge with
other people.

Have a positive
attitude - 'I can
do this!'

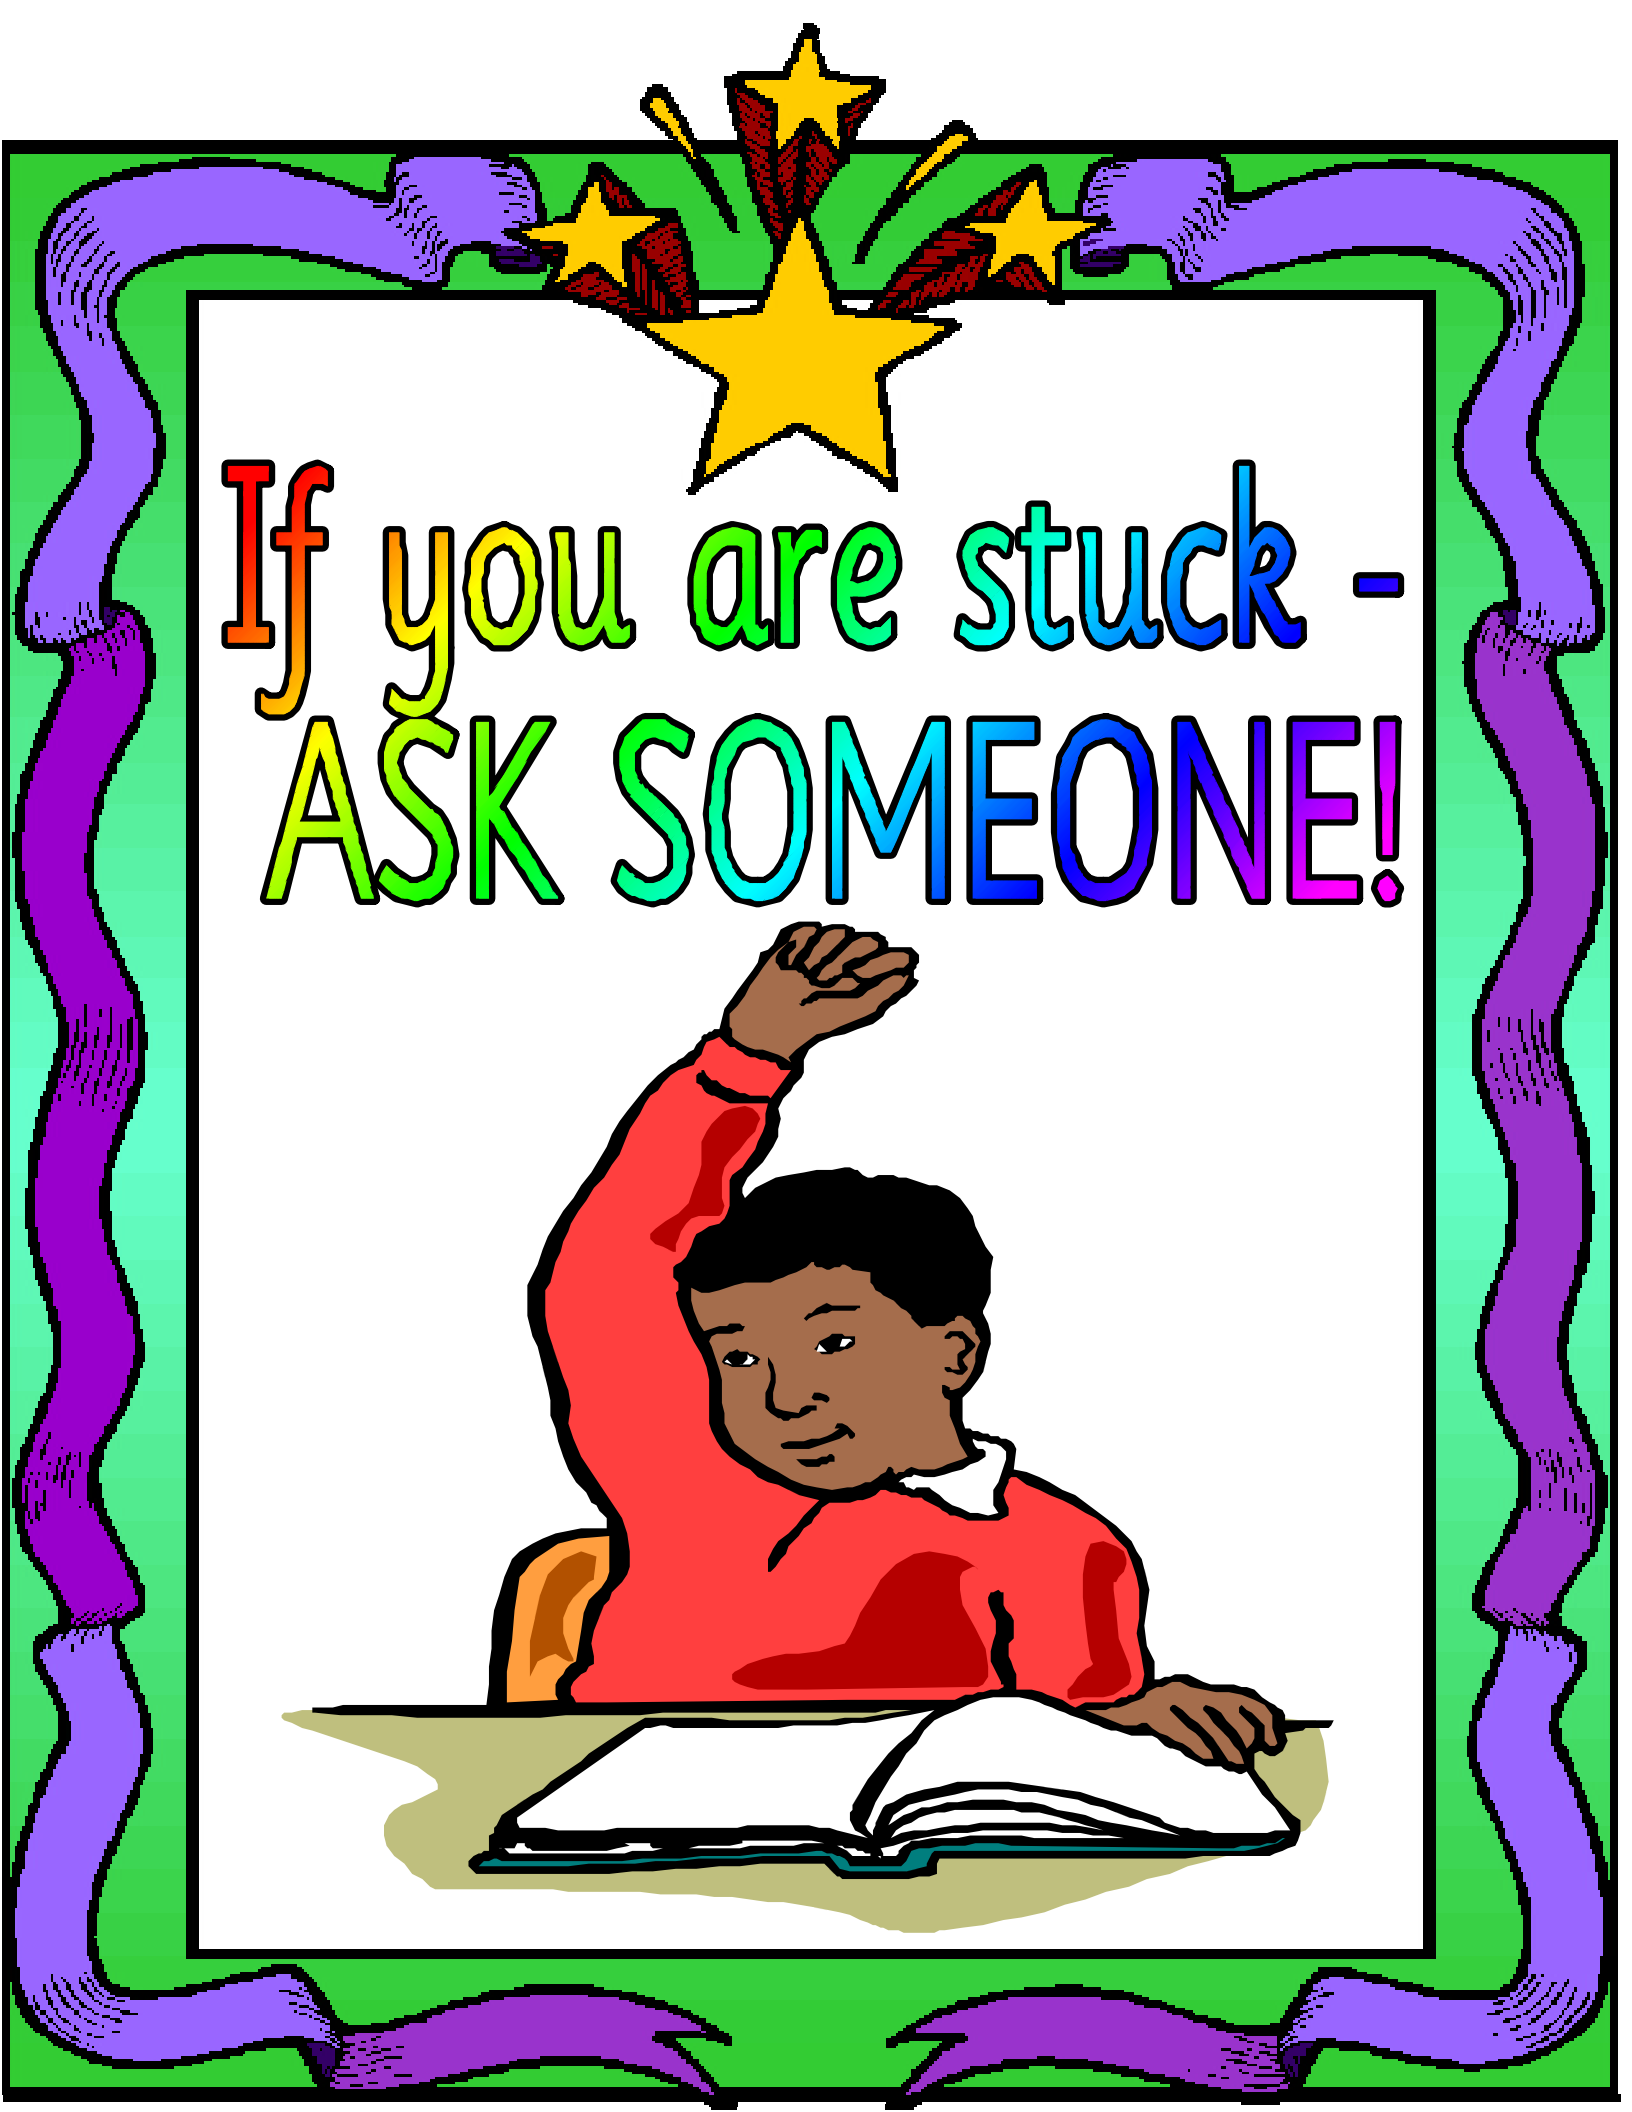

Concentrate
on your work.

Use books and
computers to
find answers.

A decorative border surrounds the central text and illustration. It features a thick, wavy purple ribbon that meanders around the edges. The background within the border is a solid green color. At the top center, there is a large yellow star with a black outline. Above and around this star are several smaller yellow stars, some of which appear to be exploding or shooting out from a central point, with red and orange streaks suggesting motion or light.

If you are stuck -
ASK SOMEONE!
