Curricular Targets
Maths - Data Handling

YR - Y6

Based on the lancsngfl targets.

I can use drawings or tallying to solve a problem.

I can sort and match objects, pictures and myself.

I can solve a problem by sorting and organising information.

I can sort information using objects or pictures in a list or table.

I can solve a problem using information in a list.

I can solve a problem using information in a pictogram.

I can solve a problem using information on a block graph.

I can solve a problem using information in frequency table.

I can solve a problem using information in a Venn diagram.

I can solve a problem using information in a Carroll diagram.

I can solve a problem using information in a tally chart.

I can solve a problem using information in a bar chart.

I can solve a problem by interpreting data in tables, bar charts, bar line charts, line graphs and diagrams

I can solve a problem by extracting and interpreting data in tables, bar charts and frequency tables, line graphs and pie charts.

I can interpret diagrams and graphs (including pie charts).

I can draw inferences based on the shape of graphs and simple statistics for a single distribution.
