## Maths - Problem Solving

# YR - Y6

Based on the lancsngfl targets.

I can talk about  
how I solved a  
practical  
problem.

I can talk about  
how I solved a  
problem using  
objects and numbers  
to help me.

I know what  
information I need to  
use to solve a problem  
and can describe what  
I did step by step.

I can solve a  
problem by writing  
down what  
calculation I should  
do.

I can write down  
number sentences  
or drawings to help  
me solve a  
problem.

When I have solved  
a problem I read the  
question again to  
make sure the  
answer makes sense.

I can break a  
problem into steps  
and say the  
calculation I need  
to do for each step.

I can check my  
answers are  
sensible.

I can record the calculations needed to solve a problem and check that my working is correct.

I can present, interpret and compare solutions in a variety of contexts.
