

**30 days has September,
April, June and November,
All the rest have 31,
Except February,
With 28 days clear,
And 29 in each leap year.**

30 days has

September

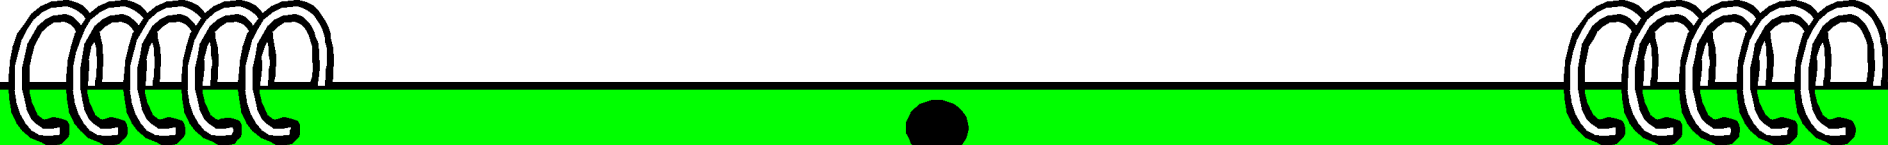

An orange spiral-bound display board with a white rectangular center. The text is written in a large, bubbly, blue font with a black outline. The board has a black dot in the top center and spiral binding on the top left and right.

April, June and

November.

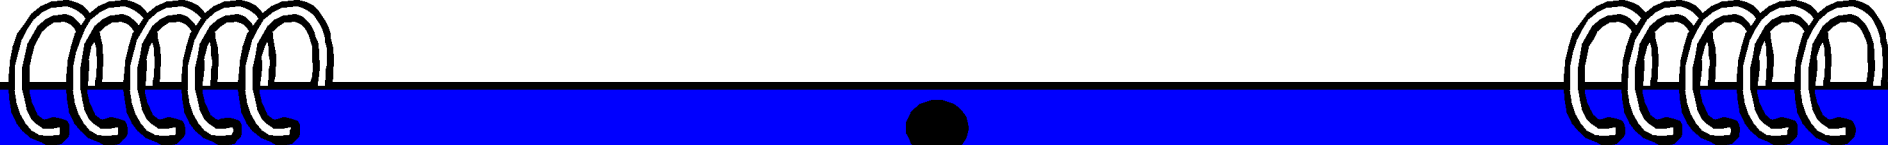

**All the rest
have 31,**

Except

February,

With 28

days clear,

**And 29 in
each leap year.**
